

HULA is the Home for Unwanted and Lost Animals located in Aspley Guise, Bedfordshire.

Dear Reader,

Help secure our future and make a real difference today

HULA Animal Rescue faces an ongoing battle to secure enough funds to keep the Sanctuary running. We are always very grateful for the generosity from the local community, businesses, schools, HULA members, volunteers and supporters. All money raised is used for the welfare of the animals and this has always been our priority. We are delighted that HULA has been saving animals since 1972 and during this time has continued to provide an invaluable service to all animals it rescues and shelters.

Our commitment is to raise funds to keep HULA going so that it can continue to serve the rescue cats and dogs and local community and to improve the facilities we have to offer our animals. As HULA receives no Government funding, it is solely reliant on the kind donations of money, food and other services from people like yourself and the dedicated time of our volunteers.

As HULA continues to face an ongoing significant financial challenge we are launching our **'Securing Our Future Appeal'** and seek your support. Our appeal is simple – to secure HULA's future, your local animal rescue centre.

Please help by setting up a regular standing order or **making a donation today. As little as £2 per month** can really make a difference and help keep HULA open.

Alternatively, you can help in other ways (see below) and visit our website www.hularescue.org for further information about HULA's work and appeal. We also welcome visitors at the centre to meet the animals and the team on Friday, Saturday and Sunday afternoons from 1pm to 3pm, or drop in any time to our shop in Woburn Sands for a browse. Thank you for your ongoing support and help in securing our future.

Yours,
HULA Animal Rescue
